There's a spot on the counter where the slant top penny candy jar sat

C

G

Hole in the back wall used to hold a plastic two-way cat flap

Am

F

Sign by the door says Welcome to Mae's One Stop Gas & Snack Bar

C

G

Grass in the gravel's grown up 'round Mae's old broken down car

F

C

F

G

In a four corner town in a two lane world, four corner town

Sign posts on the edges are just / Brackets that are empty

Took down the ones that warned ya to / Reduce your speed to fifty

The Caution Children Playing notice / Hangs in someone's rec room

Cause they found it lying on the road on their

Way to somewhere passing through

A four corner town in a two lane world / Four corner town

(Bridge)Em

And the black top cracks and crumbles

F

So the county guys come patch it

C

And they wonder why they bother when

G

You can't even get a coffee

F

In this four corner town in a two lane world

F

G

Four corner town

(Inst.)

If you don't count Archie's hound dog / The population's three now

And Archie's old enough his arms aren't / Long enough to read now

So he spends his time just watching out / His window as the days fade

Wonder's what's so damned important out there / No one stops to visit

In his four corner town in his two lane world

Four corner town
